**Motions from General Meeting Update:**

Motion 1 Failed  
Motion 2 Failed  
Motion 3 Failed  
Motion 4 Passed  
Motion 5 Failed  
Motion 6 Passed  
Motion 7 Passed  
Motion 8 Failed

**Roll Call Update:**

- Gear donation is hopefully happening
- Hopefully we don't get rained out – trying to get something set up at Grass Lawn if raining
- Bring gear to roll call at Marymoor rain or shine
- Same schedule as last week, 10am-2pm
- Distribution of players – same as last year
  - o FIRR may recruit for the sake of the safety of people showing up to softball for the first time because they are playing at C regardless
- Need 23 minimum to fill all teams

**End of Season Tournament:**

- Any changes to end of season tournament has to be initiated and completed by EOS tournie/BBQ committee on their own
- Would it be better served to have special rules to it? Do something for the hell of it
  - o FIRR has “stallion athletes” – running bases backwards, bat opposite hand, HR out coupons, keep it fun
  - o Berth goes to winner of lower – gets passed down to whoever needs it
  - o AD needs to know which teams are participating in tournament at beginning of May

#### **Fundraiser tournament @ Meadowdale:**

- November 8<sup>th</sup> & 9<sup>th</sup>
- East should not be participating athletically – do need to participate in running the tournament
- Every team in the division needs to participate in putting it together

#### **Old Men's Balls**

- AD will bring a handful of old men's balls to roll call to sell

#### **Fundraising:**

- BINGO - Vape and smoke up on the street – be respectful of the space
- Cody, Deb, Rochelle, Amanda, Patty – kicked butt – Cody just showed up at the end
- Counting money – By-law amendment – all monies tracked to source of fundraising income – where is it coming from?
  - o Cash double counted and documented by fundraising committee members and/or members of BOD before delivered to Treasurer
  - o Treasurer produces itemized report on BINGO fundraising before beginning of league
  - o Someone walks Treasurer to her car

#### **Putting 503c status to use**

- Goal is to solicit donations so we don't have to fundraise
- Sarah B. is working on a new CSSA website – it will cost more money but will supply information and a website folks can give to people when asking for donations
- If you are interested in participating in the fundraiser website and strategies to make money, let Nick know, otherwise you will not be included in that process
