Sarah Coach of Hug Dealers
Jessica God's Kids
Jack

Voting Explanation - Nick Blue

- One rep for each team gets a vote + 3 council members
- Motions passed by 66% - 8/11 have to vote in favor for motion to pass

Motion #1: Broader description of sober activities to fall under CSSA scope in mission statement

- Fundraisers are okay under non-profit - this motion makes it so we can have "for fun" events that are not necessarily under the umbrella of softball
- Can file a DBA to change name to CSSA in order to open up possibility for what funds can cover
- Is there anything in new verbage that would conflict with what we are trying to do? Would have to change umpires to officials.
- Vote on this current motion with an amendment - "umpires" changes to "officials"
- Motion passes: 10 in favor, 1 against
- Minority opinion: Make changes to motion to finalize it and then vote on it
- **Motion does not pass: 7 in favor, 4 against**

Motion #2: CSSA spending over \$200 outside of regular operational costs should be voted on based on the by-laws

- Provides a safeguard on spending
- **Motion passes: 13 in favor**

Treasurer Position Needs to be filled:

- Jamie will continue to represent us on the backend of 501c3, filing paperwork with the state, etc.
- Nick nominates Kyle McGregor to be treasurer, replacing Jamie, until the end of this term - January 2026
- Kyle McGregor unanimously elected

Quick Poll on a potential future motion:

- Minimum of 50% of our expenses has to go to softball expenses and 100% of our expenses has to benefit of every member in the East
- Everyone says it seems like a good idea - proposal and draft will be sent out on thread

6:39 Motion to close - meeting closes
