**6:38 PM – meeting called to order**

**Meeting with Matthew Gregory – USC Washington State**

- Publicly apologized, said he would try to be better, lack of communication
- Will know when we do not have empires (or get empires)
- Easier to fill umpires at Tibbetts if that happens
- Nick's "backing up on the umpires" – 90 games total – umpires showed up to 65
- Saved us \$750
- Do we want to think about umpiring our own games?
  - o Saves money AND umps are inconsistent anyway

**How do we feel (AD says yes) about having meetings throughout the regular season?**

- Keep people accountable, answer questions, keep ideas free-flowing
- Remind people about what's coming up, answer new player/coach questions
- Have meetings after league games – get more people involved

**Treasurer's Report**

- Motion to amend by-laws to include amendment for fundraising procedures in our by-laws
  - o 5 bullet points
  - o Unanimous vote to include in by-laws

**Feedback on League:**

- Pain in the ass year for AD and Nick - they did a great job
- If we have 10 teams again next year, third field could move to 9am or 11:30 start
- EOY tournament – if possible to not have new players playing upper level teams
- Reworking schedule to keep lower and upper teams from playing each other, especially early in the season

**Motion to Close @ 7:55 pm****Meeting after the meeting:**

- Idea to encourage teams to bring food for BBQing during regular league games to increase fellowship opportunities
  - o Maybe potluck on days with CSSA East meetings to encourage people to stick around after early games in order to get involved
